

Contacts for South Australian Members of Parliament current at 8 June 2010

(I was hoping to be able to provide the suburbs for each seat, but no such list is available, and some suburbs are split over more than one electorate. If you need to find out which electorate you are in, enter your suburb in the right hand search option on this web page, and your electorate will appear in the left hand search section <http://www.ecsa.sa.gov.au/apps/news/?year=2010>)
